

To the Station Manager and/or Board of Directors of KRFC:

I hereby request a copy of the Membership list of KRFC pursuant to Section 7-136-101 and succeeding sections of the Colorado Revised Statutes.

Following CRS 7-136-102 (3), item (c), the purpose of this request is to inform members of certain actions of the KRFC Station Manager and Board of Directors including but not limited to a change of the KRFC Mission Statement despite a petition, pursuant to the KRFC bylaws, opposing the change in the mission statement; and revocation of membership of several KRFC members. The membership list will be used to generate support among members for fair hearings and due process for those members and support among members for fair consideration of the petition, pursuant to the KRFC bylaws, opposing the change in the mission statement.

Pursuant to CRS 7-136-105, neither the membership list nor any part thereof will be:

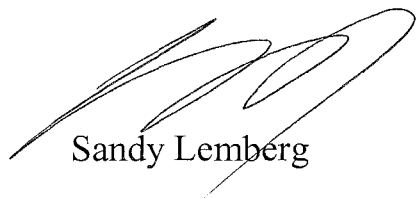

- (a) Used to solicit money or property unless such money or property will be used solely to solicit the votes of the members in an election to be held by the nonprofit corporation; or
- (b) Used for any commercial purpose; or sold to or purchased by any person.

Attached, please find a copy of relevant statutes and a compact disc onto which you may copy the requested records.

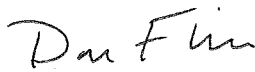

I will plan to contact you to arrange to pick up the requested records here at the Station some time between one and two weeks from today.
